What You Can Expect

Enjoy all the rides and attractions of Disneyland Paris with a full-day ticket to 1 or 2 parks, depending on the option booked. Transfer from your hotel in central Paris to the Disneyland Paris theme park, located 32 kilometers (20 miles) east of the city

center.

Upon arrival, avoid the long lines with your prepaid entry ticket and enjoy all the attractions at your own pace. Stroll among your favorite Disney characters, as they stop to give you a hug, sign autographs, or pose for a photo you will cherish forever.

Spend your day discovering the different rides of the parks. Start with the Big Thunder Mountain roller-coaster and enjoy a fast attraction for all the family! Explore Alice's Curious Labyrinth and try to escape from the Red Queen. You can also choose to begin your day with 'It's a small world', an attraction that will take you in a wonderful journey and leave you singing its song for the rest of the day.

As your day continues, you can go meet a Disney Princess in the Princess Pavilion or a Star Wars character such as Darth Vader himself! You will also be able to enjoy the Space Mountain ride, a roller-coaster that will take you to space and try to avoid colliding with planets. If you have the heart of a pirate, you will love the Pirates of the Caribbean attraction, where you will see thrilling dungeons filled with human bones and set sail for an adventure of musket fire and sword fights.

At Disneyland Paris you can also spend your day exploring the park and try to find its secrets like the dragon hidden under the castle or the magic lamp of Aladdin that will actually speak to you.

If you want to discover even more magical shows and attractions, book the 2 park option and go to the second park of Disneyland Paris: Walt Disney Studio. More amazing attractions are waiting for you there; like Crush's Coaster, the attraction from Finding Nemo where you follow sea turtles swimming in the current. Then experience the life of Remi from Ratatouille as you run through a huge kitchen. You can also go to the Disney Animation Studio and learn how a Disney movie is made.

Don't forget to stop by all the different lands of Disneyland: Fantasyland, Frontierland, Discoveryland and Adventureland, before returning to Paris at the end of a fun-packed day.
